## Youth deer hunt..

Posted by tflight - 2009/09/22 01:32

---

Taking Cody out this weekend for the youth hunt and he's gonna try with his bow this year. Anybody else going out with their kids? Were gonna hunt near White Cloud.

I took my son out on Saturday morning of the Youth Hunt Weekend and he took a nice doe about 7:30am. It was a great experience for him. He hunted last year for the 1st time and didn't have any luck so we decided to just get one under the belt and then work on getting a buck during firearm season.
