
Sight in days

Just wondering if someone can tell me if I showed up at the inccorect time, Saturday 11AM. Or that the sight in (First 2 Saturdays in November) was cancelled? I am a brand new member and I need to learn the ropes. Thank, BB

If you are in need of sighting in your rifle/shotgun/muzzle loader and can be at the range Saturday morning you can email me and we can coordinate a time. There may be a nominal fee involved. I will have to ask about that at the Board Meeting on 11/12. There is also a General Membership meeting afterward. email me if interested s.bagby@sbcglobal.net
