## rifle range

Posted by jag1979 - 2009/11/20 00:11

---

New to the area and was wondering if the rifle range is open anytime for shooting or during specific days/times?

Welcome to the area and to chickowa jag. Here is the low down. When you buy a membership and starting next year {2010} a 20 dollar range use fee and attend a mandatory safty meeting you will be able to use the rifle range from 9:30 am until dusk six days a week unless there is an event going on. This will include the rifle and pistol bays as well as archery lanes. Also we have a monday night open rifle range during the summer months. Your also invited to attend our meetings on the second thursday of every month to learn more. Thanks for your question and my name is Mark Brewer. Please call me if you have any more questions. 786 0586
